

## Bug #1. Instagram link in footer leads to unavailable profile

**Steps to reproduce:**

1. Open <https://tribuna.com>.
2. Scroll down to the footer.
3. Click the Instagram icon.

**Actual result:**

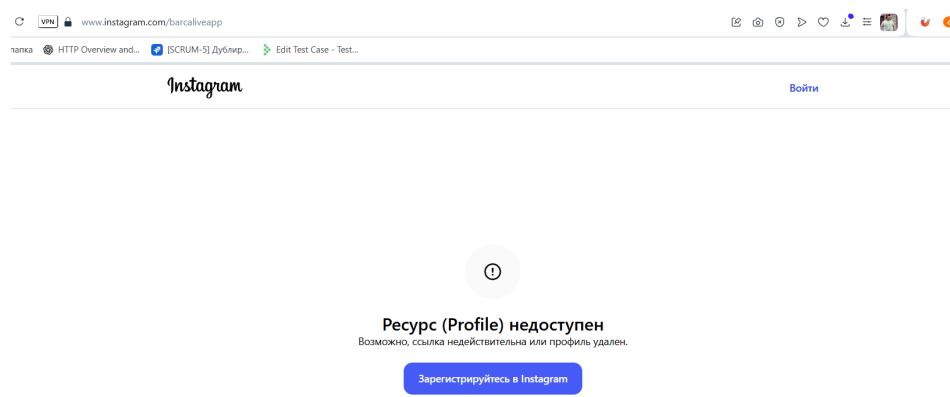

The Instagram profile is unavailable after clicking the link.

**Expected result:**

The link should open the official, working *Tribuna.com* Instagram profile.

**Severity:** Minor

**Type:** Functional

## Bug #2. YouTube link in footer leads to wrong channel

**Steps to reproduce:**

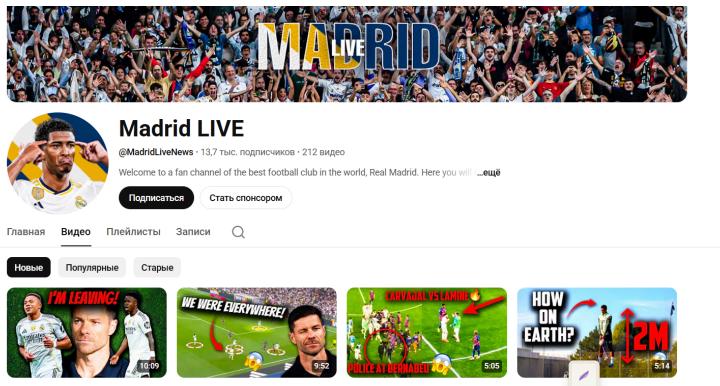

1. Open <https://tribuna.com>.
2. Scroll down to the footer.
3. Click the YouTube icon.

**Actual result:**

The link opens the **MadridLIVE** YouTube channel instead of the official **Tribuna.com** channel.

**Expected result:**

The link should open the official **Tribuna.com** YouTube channel.

**Severity:** Minor**Type:** Functional**Attachments:****Bug #3. Empty block displayed under the header (probably banner placeholder)****Steps to reproduce:**

1. Open the main page of the website.
2. Look at the area right below the header.

**Actual result:**

An empty block is displayed (**Main-module\_\_h0zGRO\_\_main-layout\_\_empty-block**). No content is shown inside.

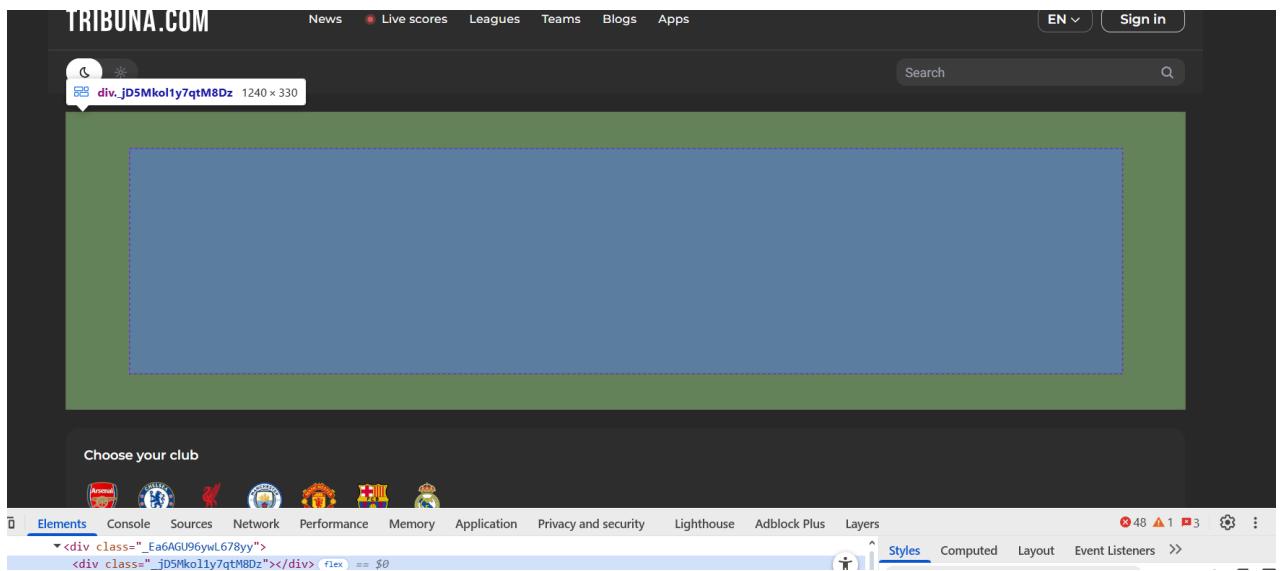

**Expected result:**

If there is no banner — the block should be hidden.

If a banner is expected — it should be displayed correctly.

**Severity:** Minor**Type:** UI

## Bug #4. Missing betting block in English version

### Steps to reproduce:

1. Open <https://tribuna.com>.
2. Switch the site language to English.
3. Compare the header with other language versions.

### Actual result:

The betting block (Apuestas / Ставки) is missing in the English version.

### Expected result:

The header content should be the same across all language versions, unless localization rules define otherwise.

### Severity: Minor

Type: Localization / Content
